Surprising,  
What Kodol Will Do

For you, when you need it. But the longer you neg-  
lect indigestion, the more you will suffer before Kodol  
can restore Good Digestion.

And, of course, indigestion if neg-  
lected long enough, brings on seri-  
ous diseases in which Kodol cannot  
benefit you. Some of these there  
is no help for at all.

There are, in fact, very few all-  
ments which cannot be traced di-  
rectly to impure blood. And im-  
pure blood is always due to a dis-  
ordered stomach.

Use Kodol and prevent Nervous  
Dyspepsia.

Kodol will effectually assist Na-  
ture to secure a complete restora-  
tion of good digestion. It does  
this by at once digesting all food  
in the stomach and keeping it di-  
gested, until the stomach is rested  
and can resume its own work. Ko-  
dol removes the cause—and the  
effect quickly removes itself.

When it is recalled that Apo-  
plexy, Heart Disease, Cancer—and  
even Consumption—are due to  
poor digestion and poisons thus  
transmitted to the blood, and  
throughout the system—the impor-  
tance of maintaining good diges-  
tion is at once realized.

We knew what Kodol would do  
before ever the first bottle was  
sold. If we did not know just what  
it will do, we would not guarantee  
it the way we do.

It is easy for you to prove Kodol  
—the next (or the first) time you  
have an attack of indigestion. And  
you will certainly be surprised at  
the results. It is perfectly harm-  
less.

There can be no harm in trying  
something that may do you a great  
deal of good—when it costs you  
nothing if it doesn't.

## Our Guarantee

Go to your druggist today and get a dol-  
lar bottle. Then after you have used the  
entire contents of the bottle if you can  
honestly say, that it has not done you any  
good, return the bottle to the druggist and  
he will refund your money without ques-  
tion or delay. We will then pay the drug-  
gist for the bottle. Don't hesitate, all  
druggists know that our guarantee is good.  
This offer applies to the large bottle only  
and to but one in a family. The large bot-  
tle contains 2 1/2 times as much as the fifty  
cent bottle.

Kodol is prepared at the labora-  
tories of E. C. DeWitt & Co., Chicago.

## TELEPHONE TALKS

## The Long Distance System

One of the most valuable features  
of our service, to our subscribers and  
to the public generally, is our connec-  
tion with the extensive long distance  
lines of the American Telephone and  
Telegraph Company and the other as-  
sociated Bell Telephone companies.

We own thousands of miles of long  
distance lines in the seven States in  
which we operate and in addition can  
connect any telephone in our system  
with lines extending to any other city  
in which a Bell Telephone system is  
operated.

These long distance lines are of the  
most modern and improved construc-  
tion and are maintained at a high  
state of efficiency. The Bell systems,

operating in various sections of the  
country, are uniform in their equip-  
ment and in their methods of op-  
erating.

Only by reason of this close traffic  
arrangement between the Bell Tele-  
phone companies is it possible to go to  
a Bell Telephone almost anywhere, to  
ask for "Long Distance" and be put in  
communication with almost any point  
in the country.

This vast net work of wires, radiat-  
ing throughout the nation, is used  
daily in commerce and for social pur-  
poses by the banker, the farmer and  
citizens in all walks of life and our  
plant here is an important link in this  
great chain.
